Chicago, March 19, 2009, NASA Midwest, Inc.

NASA Midwest is pleased to announce Havoc Motorsports will be providing Tire Sales, Service and Support for all Midwest Region events in 2009. They are located in Wilmington, IL. near Autobahn Country Club.

Havoc Motorsports has been in business since 1986, providing a complete compliment of racing services such as fabrication, alignment, dyno tuning, preparation, trackside support as well as being an approved NASA Tech Shop.

Jody Lift, owner of Havoc Motorsports said, " I'm excited about this new opportunity to serve NASA drivers and to expose them to new levels of service". Havoc offers the complete range of performance and racing tires from Hoosier, Toyo, Kuhmo and Hankook.

"I am very pleased that we have brought Havoc Motorsports on board. I've known Jody since the mid 80's, we raced against each other in the mid 90's and he is as fierce a competitor off track as on", said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, " I'm pleased to have a company with the history and background of Havoc Motorsports and Jody Lift on board to provide tire service to NASA Midwest drivers. It's a great opportunity for us all".

Contact Havoc today so your tires can be delivered to Road America April 24-26!
